CAREER OPPORTUNITY

OFFICE OF THE MISSOURI STATE AUDITOR

Accepting Applications until 5:00 pm Friday, October 2nd, 2015

Job Title: Information Technology Analyst I-III

Salary Range: $1,249.00 - $2,666.50 semi-monthly

Degree/Major: Bachelor's degree from an accredited college or university in computer science, computer information systems, or a closely related field

Job Description: This is a software development position for the Auditor's Office. Ability to develop server based applications using Microsoft .Net and Visual Studio is required. Microsoft SQL Server experience is highly desirable. Candidates must have strong verbal and written communication skills, exceptional organizational and analytical skills, and be able to work effectively in a team environment. This position with the Auditor's Office is a unique opportunity for an individual who wants to make a difference in a smaller agency working in multiple areas: application support, web design, programming, project management, and software development.

Location: Jefferson City
